

L & M LAKE AND GOLF RETREAT

L & M Lake and Golf Retreat was the best kept secret in Texas, but after being featured on Googan Squad, LoJo fishing, Fishing with Norm and Hank Parkers Outdoor Magazine, it is quickly becoming a desired destination for the outdoor enthusiast.

Known as "A Small Town With a Big Twinkle," Rising Star is an idyllic setting for your next corporate retreat. Nestled among 200 acres, L&M is a little slice of Texas heaven, boasting private water fishing, a private country golf course, wild hog hunting and many more outdoor adventures just waiting to be explored.

While we think you'll find most of your time spent outdoors, we know our guest will also enjoy the 4,500 sq-ft country club recently converted into the main house. Luxuriously and spaciouly designed, guest lodge comfortably, escape the hustle and bustle of normal day to day lives. The lodge will sleep 14 guest comfortably with 3 bathrooms and a full kitchen.
